

# WHAT ON EARTH AM I HERE FOR?

## Small group notes - Week 7 - Sharing our Life Mission Statements

### Welcome

Welcome everyone.

### Worship

It's always good to start in worship. If you're in one of the HOST groups meeting on a Tuesday/Wednesday evening we'll sort this for you. If you're meeting at a different time, why don't you ask someone who can play a guitar or another instrument, if they will lead your group in some live worship or choose a couple songs to help lead people into God's presence. Otherwise we have compiled a couple of playlists with a range of songs for you to use during worship and ministry.

**Life Mission Statement**

Go round the room and allow each person to share their Life Mission Statement. Once they have shared, pray for them. Bless what you see the Lord doing, share prophetic encouragements, stir up faith.

Remember:

- This is a time to listen, not comment or advise
- Remember that everything shared needs to be confidential
- You're sharing with family - these people love you & want you to do really well & see Jesus do great things with you

### What's next?

Hebrews 10:24-25

**24** And let us consider how we may spur one another on towards love and good deeds, **25** not giving up meeting together, as some are in the habit of doing, but encouraging one another – and all the more as you see the Day approaching.

How can you spur one another on and encourage each other?

If you've just started meeting together, would you consider carrying on, spurring one another on?

If you've been meeting together for a while now, how else could you encourage one another in living out God given potential?
